

Welcome

The goal of the In the World of Mosaic project is to promote the art and craft of Mosaic as a promising creative industry in the Republic of Macedonia. In this regard, the DMWC is organizing this Mosaic Fair which brings together mosaic artists and craftsmen from this country and abroad and promotes this form of art among the artisans, craftsmen and the public. The Mosaic Fair will be held 28-30th of September, 2016 at the Faculty of Fine Arts (Факултет за Ликовни Уметности) in the historic Suli An and National Gallery Chifte Amam buildings in the Old Bazaar, and the EU Info Center in Skopje. Participants have a menu of activities to choose from in each day's calendar, as listed in this program:

Speakers

Opening Speakers:

*DMWC Representatives,
Mme. Isabelle MARCHI-BARBAUX, Director

Workshops

Workshop 1

Contemporary mosaic in monochrome with Jérôme CLOCHARD

The search for a composition and a monochrome harmony brings the mosaicist to focus on the essence of the mosaic. Inside its rhythm. This course provides an understanding and practice that builds these internal movements (andamenti) the liking of many contrasts. Resolutely contemporary artistic approach. Realization in direct laying (40x40 cm), dominant stone and marble.

Workshop 2

Introduction to Principles of Mosaic with Stole Iliev
Become familiar with the materials used in mosaic, focusing on natural stones, their processing and usage.
Development of the scheme, laying out the mosaic pieces, the coloring, and the final phases of completing each mosaic. Aimed at beginners and mosaic enthusiasts.

Workshop 3

Ceramics Mosaic for Beginners with Jasmina Boshevska
Video presentation "Mosaic Labyrinth" and becoming familiar with the material used in ceramics mosaic.
Demonstrating the process and giving each student a chance to try it hands on.

Workshop 4

Ceramics Mosaic for Children with Jasmina Boshevska
In essence mosaic is about connecting cubes into a story, a life through a labyrinth. The video presentation Mosaic Labyrinth will uncover the magic of playing with stones and pieces of ceramics. All little mosaicists who visit this magic story will make their own piece of mosaic, which may be retold for centuries...
